BILLING CODE 8010-01-M

Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (NuMed Home Health Care, Inc., Common Stock, \$.001 Par Value) File No. 1-12992

January 30, 1995.

NuMed Home Health Care, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, its Board of Directors ("Board") unanimously approved a resolution on January 10, 1995, to withdraw the Security from listing on the Emerging Company Marketplace of the Amex ("Amex/ECM") and, instead, list the Security on the National Association of Securities Dealers Automated Quotation Small Cap Market System/National Market System ("NASDAQ/NMS"). The Company believes that:

(1) The NASDAQ SmallCap Market system of competing market-makers will

result in increased visibility and sponsorship for the Security than is presently the case with the single specialist assigned to the Security on the Amex/ECM;

(2) The NASDAQ SmallCap Market system will offer the Company's shareholders more liquidity than presently available on the Amex/ECM and less volatility in quoted price per share when trading volume is slight;

(3) The NASDAQ SmallCap Market system will offer the opportunity for the Company to more effectively consummate its proposed offering of 1,100,000 Units; and

(4) Firms making a market in the Company's Security on the NASDAQ SmallCap Market system will be inclined to issue research reports concerning the Company, thereby increasing the number of firms providing institutional research and advisory reports.

Any interested person may, on or before February 21, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.
